SPECIAL NOTICE

Special Notice to The Voters of The Town of Appomattox:

I have discovered that under the General Laws of the State of Virginia, a person elected to be Mayor of a town must have resided in the town for a period of one year at the time of his election unless the charter of the town specifically provides otherwise. The charter of Appomattox does not specifically provide any residency requirements; therefore I believe that I am not a qualified candidate for the office of Mayor of the Town of Appomattox and feel that I must at this time withdraw my name from the list of candidates for town office. I wish to take this opportunity to thank my friends and supporters for their efforts in my behalf. To my friends and supporters, thank you.

Frank M. McCann.

Day of Fasting and Prayer

Special prayers will be offered and a day of fasting observed Saturday, March 30, by Appomattox Seventh-day Adventists for Christians who are being persecuted for their religious convictions in Columbia, South America.

Pastor W. P. Lawrence said the special service results from an appeal by Adventist World President R. R. Figuhr, Washington, D. C. Stating that in Columbia 10 Seventh-day Adventists alone died in 1956 because they would not recant their religious convictions. This together with reports of other persecutions calls for an expression of sympathy and earnest prayer for fellow Christians who are passing through a critical time.

Adventist membership in this South American country has quadrupled in the past few years. More than 1,000 were baptized in 1955, Pastor Lawrence said. Last year, 1,260 were baptized in Columbia.
